

2nd
Quarterly
REPORT
2022 May-August

Muwendo
— Africa —
*Transforming Individuals and Communities
Through a Holistic Approach*

Overview

Esteemed friends,

In spite of the present life challenges ranging from Covid 19 to an unprecedented hike in commodity prices, we take a moment to thank God for seeing us into this second quarter of 2022! Thank you all for your support, material and spiritual. The highlights in this report are the fruits of teamwork, prayers, and hard work from you and every staff of Muwendo Africa. Thank you all for serving in His vineyard. May God continue to bless our plans for the rest of the year, in the name of Jesus. Amen.

Remaining true to our time tested mission of "*holistic transformation of individuals, communities and cities*",

Muwendo Africa has continued to work towards fully serving the marginalized, job-less, hungry and desperate population in the Kosovo slum and its environs. We have remained a source of educational support to hundreds of kids born into the highest levels of poverty, our evangelism teams have offered hope to thousands of people on the verge of total despair and suicide, through continuous dissemination of the Word of God, We are restoring lives through health programs to HIV/AIDS clients through counselling, food support, and skills development. Truly, ours is a mandate to positively impact lives.

Highlights for Muwendo

Africa organization major

areas we focus on:

1. Education Sponsorship

- Treasured kids kindergarten school
- Treasured kids Primary School
- Secondary level
- Trade schools
- University

2. Empowerment Programs

- Tailoring
- Jjeza farm
- Matendo microfinance

4. Healthy Care

3. Discipleship/ Evangelism

5. Community Programs

Our Programs:

Through the 5 core areas of our ministry, we have been able to achieve much as below:

1. Education:

Muwendo Africa and our partners have continued to support the Child Development Program with a mandate to holistically reach out to and support the young, underprivileged children in this slum area so that they can acquire functional educational skills that will help their lives and communities in the future. Our mission is ***“to change a child, change a family, and a community.”*** We strongly believe our program is

helping us build a network of future Christian leaders that will transform and influence our nation with strong Christian values.

Through the Child Development Program, we have offered support to covers the following aspects:

- (i) School fees***
- (ii) Scholastic materials***
- (iii) School meals***
- (iv) Health-care and***
- (v) Discipleship***

Children at different ages and education levels are supported, with the bulk of them at kindergarten and primary levels supported through our Treasured Kids Schools in Kosovo as summarized below:

(a) Treasured Kids Kindergarten:

Children of ages from 3-6 are supported through 3 years of basic literacy, writing, numeracy and social skills from Baby through Top classes. A total of **57 kids** are currently being supported, up from 55 for last term.

(b) Treasured Kids Primary:

Children of ages from 7-12 are supported through 7 years of Primary Education, i.e. from P.1-P.7. The program currently supports upwards of **278 kids**

Other levels:

(c) Secondary:

A total of 43 students are currently supported in various partner schools in/around Kosovo.

(d) College/ Institution/ University:

At this level, our mission is to provide education opportunities/ mentorship for the most gifted students to develop their God-given gifts and become skilled professionals and Christian leaders who can impact their churches and communities. This level prepares children to be responsible, productive citizens of our country, as they exit our Child Development Program. The program has offered continuous support to **20 students** in this quarter.

Gifts day children receiving their gifts from their beloved sponsors

Holiday Activity for

Sponsorship program

“

Children came in big numbers for the just concluded days held from August 15-17, 2022 at Word of Life Community Church, under the theme “Honor.”

Sponsorship program annually holds at least one general gathering for all our sponsored children, where we pass on new program policies, re-emphasize old ones, have fun, hold prayer sessions, listen to mentors, learn new knowledge, eat together and socialize, etc. It is a day for reconnecting in various ways, after the long school terms. We cannot emphasize enough the need for the recent center days, after the two long years when schools were shut due to covid-19.

Children came in big numbers for the just concluded days held from August 15-17, 2022 at Word of Life Community Church, under the theme “Honor.” Age appropriate materials and skilled facilitators were chosen for the different age levels as above:

1. Monday August 15, 2022:

Kindergarten-P.2, with a sub-theme “*Honoring our parents.*” 81 children attended the sessions, led by Trs. Sybil Atiibwa and Sandra Logose.

2. Tuesday August 16, 2022:

P.3-P.7, with a sub-theme “*Honoring our Spiritual leaders.*” 80 children attended the sessions led by Tr. Phiona Namukisa, supported by volunteers Nalwoga Jacqueline and Kobusingye Esther.

3. Wednesday 17, 2022:

Institutions/Trade schools/ Universities, with a sub-theme “*Honoring our church.*” 37 students were in attendance, and sessions were led by the DCDP team, with a special mentorship/counseling session hosted by Uncle Barnabas.

Key activities:

- A theme song aligned with the scripture in Collosians 6:1-3.
- Bible reading sessions
- Age appropriate fun and games.
- Sharing (food, porridge, sweets, etc)
- Teachings on the Biblical imperative to honor God and all people, through attending church (WoLCC) fellowships, ministering, and community service.
- Photo updates, letter writing and gifts sharing for individual kids, especially those in boarding school.

TK Kindergarten kids at the just concluded Center Days.

Harvest from or passion fruits plot.

2. Empowerment Programs:

(a) In spite of the prolonged dry season and erratic rains, The TKS Farm in Jjeza, along the Kampala-Mityana road, is committed to continuously producing food primarily for our TK Schools on our **21 acre** farm. We have planned to continue to grow different crops grown, e.g. maize, beans, potatoes, bananas, cassava, tomatoes, passion fruits, vegetables, etc. to help meet food

needs for over **300 kids** and **30 staff** fed through this program. However, our projections for the quarter under review have largely not been realized due to the very high prices for agricultural inputs like fertilizers and other chemicals that have affected the yields. For the period under review, the following highlights are worth noting:

Farm Harvests to the beneficiaries

- Farm supplied **315kg** of corn flour to the Treasured kids schools food basket
- Supply of passion fruits to school to support the schools' "Juice Days", targeting all the kids and the schools' staff
- Supply of bananas and vegetables to the schools to help schools have weekly "special meals" for kids and staff.

Outlook for the next quarter:

- Preparations and actual planting of **4 acres** with corn, **3 acres** sweet potatoes, and 1 acre with beans/vegetables.
- Intensify efforts to rehabilitate the existing banana and passion fruit plots.

The 1 acre banana plantation at the farm.

Last season's corn harvest. The flour was given to TKS for food support.

Kids enjoying juice during one of the "Juice Days" from fruits supplied by the farm

(b) The Community Skills Development Program

is designed to equip unemployed women and young girls from the Kosovo community with market responsive self-reliance/ livelihood skills, so as to become economically empowered and later help their families, and communities. The program has recruited and started to

New in-take tailoring skills trainees under instruction.

train 10 fresh trainee women from the Kosovo community. These will undergo 8 months of tailoring skills training till February 20, 2023, when they will be passed out.

Pr. Deo handing over a new sewing machine to one of the past trainees.

(c) Discipleship/Evangelism:

With very able, inspired and visionary leadership of our local church, Word of Life Community Church, (WoLCC) much ground has been covered during this quarter in reaching out to people in our Kosovo community with messages of hope and salvation.

Our vision:

“Transformed individuals, communities and cities through a holistic approach.”

Our mission :

“Loving God by loving His people and serving God by serving His people”

Church key scripture for 2022 :

“Obedience to God for unprecedented growth” (Gen 26: 1+)

For the period under review, several church departments have covered enormous ground as the table below shows:

CHURCH

No.	Activity	Total no. of people reached
1	Word Connect services (Tuesday Bible lessons)	230
2	Prayer, Fasting and Tea services (Women ministry led)	242
3	Prayer Connect services (Friday Prayers)	272
4	Sunday 1st service	1, 852
5	Sunday school/Children church	2, 504
6	Connect classes (after services group discussions)	1,606
7	Sunday second service	2,100
	GRAND TOTAL	8,806

Other Church activities carried out involved:

- a) Training of 25 Children ministry volunteers on ministry best practices, June 3, 2022.
- b) Youth ministry secondary schools evangelization outreach on June 6, 2022. **400 students** were outreached.
- c) Girl Talk Session(Dine with Mummy) by the Women ministry on June 12, 2022, where 62 young women of 18+ years were tipped on different women issues.
- d) Men's Month (June) activities like mentorship for the youth, leading church services, etc
- e) Evangelism team visited Mulago Hospital Cancer Institute on June 17,2022. Basics like sugar, soap and prayer were offered to over **37 clients**.
- f) Prayer, Fasting and Tea (PFT) sessions by the Women Ministry every Wednesday of the month.
- g) 3 Cell visits to the community due (every third week Wednesday of the month)
- h) A Community Clean-up and Evangelization drive through the Kosovo slum, where 4 villages of Kosovo, Lusaze, Bukooza, and Ssendawula zone were reached. Approximately 300 people were impacted.
- i) The "Jesus Evangelistic Festival" for the Kosovo community on July 7, 2022. Attendance was above **600 people**.
- j) Evangelism zoom meeting for 40 ministers on July 17, 2022.
- k) Prophetic and Worship service led by Prophet Dennis Macknolyand Pr. David Martins from USA from July 13-16, 2022. 44 Church leaders from Rakai Word of Life Churches were among the congregants.
- l) Holy Communion service on July 17, 2022.
- m) 32 new members have joined the church in the past 3 months

3. Community outreaches:

a. *The Care for AIDS*

Program works to support HIV/AIDS beneficiaries in the slum areas. Our vision is “a world where no story is cut short/silenced by AIDS” and our mission is “embracing and equipping people to live a life beyond AIDS”.

We are hosting our second cohort of members launched on May 26, 2022, numbering 80, as for the last one. This current cohort is composed of 54 women and 26 men, drawn from Kosovo and its environs.

Among the key program activities done so far are:

- 3 livelihood skills training seminars for sessions in making soap, jik, vaseline, sanitizer and t-shirt printing. Approximately 57 of the trainees are already into business with soap products.
- Gave out 80 Bibles, one for each client. So far, 21 clients have given their lives to Christ and are regular church members.
- Provided 24 kgs of both corn flour and beans to our 80 clients
- Provided hospital facilitation to 40+ of our members with serious illnesses like cervical cancer, heart problems, malaria, among others

Clients attending a soap making seminar at our center.

- Conducted 3 “Health Days” for our clients who are educated on health issues and have them treated for simple illnesses.
- Provided nutritive foods like nuts, eggs, milk, and fortified porridge flour to 40 members with compromised immunity.

Plans for the coming quarter:

- Intensifying the skills training program, and making it more comprehensive with added skills like hairdressing, bakery and book making.
- Starting a discipleship class for the new converts to get them rooted in Christ.
- More health and food support to be extended, if resources are available.

Pr. Deo giving a sermon to the clients during one of the seminars.

b. The Emergency Relief Program was started to support the low income, jobless one-meal-a-day families, especially in times of emergencies. This ranges from supporting individuals/families with basic needs like soap, sugar, corn flour, frying oil, etc.

DCDP team outreach to a refugee Congolese family for one of our sponsored kid

Home basics given out to one of our very needy sponsored kids.

b. Health Care Program:

The core mandate of this program is to support our sponsored and vulnerable children to live healthy and secure lives through access to basic health care. So far, **500+ children** have been supported to access medical care at different times, for different health problems. Independent monthly contributions from **\$ 100** can be made towards the medicare of individual kids. These premiums can be paid into an insurance scheme from where medical needs of the child can be met as necessary.

We need your support:

Due to the high cost of living which has skyrocketed home necessities making many families financially unable to thrive. Join us to give our families their lives back, through your giving towards the programs. Donate today!

Kindergarten/Primary kid.....**\$ 39** per month (covering school fees,scholastic needs e.g books, toilet rolls, brooms, reams of paper, school meals, uniform, basic medical care,and discipleship)

Secondary student.....**\$ 55** per month (covering school fees, discipleship, medi-care)

Vocational student.....**\$ 100** per month (covering tuition fees, tool boxes, cover-all, discipleship, etc.)

University student..... **\$ 1200/** semester (covering tuition fees, course notes, hostel fees, discipleship and basic medicare)

As we look forward to another quarter of service, we extend our heartfelt gratitude to our sponsors for their generous support. Thank you so much for giving life back to our kids through educating them, and offering other love gifts. The Lord Jesus has your reward!
